

Don't Forget: September 29th

Business After Hours for All is Back!

Last year our partnership packed the house with more than 225 people from our business community. Chances are, you will know at least one person in the room this year. And if you don't, then that's even more reason to attend! It's becoming quite the event!

Who: Members of our organizations

What: An evening to relax, network, and celebrate our business community

Where: Bogert Park

When: Thursday, September 29th at 5:30 pm

Why: Because our organizations' unique missions complement each other, and we have heard our business members loud and clear: collaboration is important to you.

Sincerely,

Maria Kappes, Prospera Business Network
Nicole Evelyn, Bozeman Area Chamber of Commerce
Ellie Staley, Downtown Bozeman Partnership
Brit Fontenot, City of Bozeman Economic Development Division

We depend on the generous support of many local businesses to make this evening happen. [Contact Us](#) to get your business involved.

We could not do this without the help of sponsors. Thanks to those who have already committed, below. They are anteing up so that you don't have to.
